About Dr. Galariotis:

Dr. Galariotis is widely known for his work on the efficiency of financial markets and investment strategies, with a focus on Herding, over- and under-reaction. He has authored numerous research articles, books and book chapters, while he sits on the board of Directors of several not-for-profit Academic Organizations including the leading Francophone association of Finance AFFI. He has an impact on business and Society via his management board position in the multibillion Independent Authority for Public Revenue of the Hellenic Republic with a duty to “determine, certify and collect tax, customs and other public revenues”.
