

Awareness Communication: Review Research Profile

Academic Year 2025 – 2026

Date: Monday, September 15, 2025

To: All KFUPM Faculty, Researchers, and postdocs

cc: KFUPM President, Vice President for Research and Innovation, Vice President for Academic Affairs, Deans, Department Chairmen, Center Directors

The Deanship of Research encourages all faculty, researchers, and postdocs to review their research profiles on **Scopus**, **SciVal**, and **Pure** to ensure the accuracy and completeness of their research-related data.

Please take note of the following:

- If your research profile has any incorrectly assigned publications, or missing Scopus-indexed publications, we really appreciate to report them immediately

For guidance on logging into Pure, updating your information, and claiming or disclaiming publications, please refer to the [User Guide](#).

If you experience any access issues or notice discrepancies or missing information related to your personal profile, publications, patents, or internal projects, please contact us at:

pure.admin@kfupm.edu.sa

The University values your research contributions and appreciates your cooperation in keeping your records up to date.

Thank you.
