Scholarships

E Excellence Scholarship & Opportunity Programme (ESOP)
Eligibility: Graduate
Date: Nov 1, 2026

Apply via: [Link](#)

The Excellence Scholarship & Opportunity Programme (ESOP) supports students with a scholarship, mentorship and a network of the ETH Foundation. The scholarship covers the full study and living costs during the Master's degree course.

Hong Kong PhD Fellowship Scheme
Eligibility: Graduate
Date: Open – Dec 1, 2026

Apply via: [Link](#)

Established by the Research Grants Council (RGC) of Hong Kong in 2009, the Hong Kong PhD Fellowship Scheme (HKPFS) aims at attracting the best and brightest students in the world to pursue their PhD studies in Hong Kong's universities.

The Yenching Academy
Eligibility: Graduate
Date: Open

Apply via: [Link](#)

The Yenching Academy annually enrolls approximately 120 new students from both the Chinese Mainland and abroad, to study, live, and learn together. International students comprise roughly 75% of the student body.

University of Oxford Clarendon Scholarship
Eligibility: Graduate
Date: Open

Apply via: [Link](#)

Clarendon not only offers over 200 new, fully-funded scholarships each year to assist outstanding graduate scholars, but also the opportunity to join one of the most active, internationally diverse and multidisciplinary communities at Oxford. In 2025/26 Clarendon is celebrating its 25th intake of exceptional scholars.

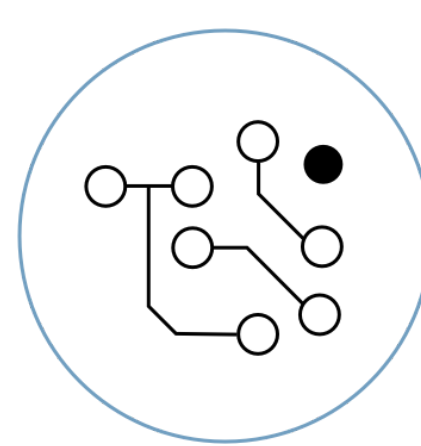

Short Opportunities

The Hansen Leadership Institute
Eligibility: Undergraduate and Graduate
Date: Open – Jan 15, 2027

Apply via: [Link](#)

The Hansen Leadership Institute (HLI) brings together and trains future leaders from across the world in order to promote world peace and international cooperation. HLI provides training in the principles, practices, and psychology of effective, ethical and visionary leadership. We also train Hansen Fellows to be effective communicators and public speakers. We have also begun to expand our focus to gender issues in leadership.

Internships at Max Planck Institutes in Computer Science
Eligibility: Undergraduate and Graduate
Date: Open – Nov 1, 2026

Apply via: [Link](#)

The Max Planck Institutes for Informatics (Saarbruecken), Software Systems (Saarbruecken and Kaiserslautern), and Security and Privacy (Bochum) offer research internships in all areas of Computer Science. An internship at a Max Planck Institute is a way to pursue world-class research in computer science! Our internships are also an excellent way to explore research or new research areas for the first time.

ETH Student Summer Research Fellowship
Eligibility: Undergraduate and Graduate
Date: Open

Apply via: [Link](#)

The ETH Student Summer Research Fellowship (ETH SSRF) programme offers undergraduate and graduate students the opportunity to gain their first research experience in an area of their choice. The fellowship provided by the Computer Science Department of ETH takes place during two summer months and is open to all students worldwide, except for students enrolled at ETH Zurich. The department is committed to increasing diversity in the computer science area.

Young Scientists Summer Program
Eligibility: Graduate
Date: Open – Jan 15, 2027

Apply via: [Link](#)

The International Institute for Applied Systems Analysis (IIASA) is an independent, international research institute in Laxenburg, near Vienna, Austria. We advance and apply systems analysis to understand complex challenges, explore possible futures, and inform decisions across society, the economy, and the environment. Founded in 1972 to enable scientific cooperation across political divides, IIASA brings together researchers from around the world and serves as a platform for science diplomacy, building trust and cooperation to address shared challenges.

CERN Summer Student Programme
Eligibility: Undergraduate and Graduate
Date: Open

Apply via: [Link](#)

Join CERN for an unforgettable summer! You'll work on advanced scientific or technical projects, attend lectures by leading scientists, and immerse yourself in a vibrant international environment. You will gain hands-on experience that goes beyond the classroom, making this more than just a summer job—it's a unique journey into the heart of scientific discovery.

UNDP Washington 2027 Internships
Eligibility: Graduate
Date: Open

Apply via: [Link](#)

The UNDP Washington Representation Office (WRO) serves as the primary UNDP liaison to the U.S. Congress, State Department, World Bank Group, and other multilateral and international organizations, as well as the Washington-based diplomatic community, media, and civil society.
